

The specified folder is invalid. You cannot select a network drive

Nicolas ARBOUIN - 2026-03-12 - [Solutions](#)

The specified folder is invalid. You cannot select a network drive

You wish to add a new sync task but you get this message :

□ You cannot add a sync task on a network drive.

Synchronization has not been authorized on a network drive due to its unstability and risks of data loss or data corruption.
